### PRESENTER INFORMATION

Jack A. Naglieri, Ph.D., is Research Professor at the Curry School of Education at the University of Virginia, Senior Research Scientist at the Devereux Center for Resilient Children and Emeritus Professor of Psychology at George Mason University. During his 35 year career Dr. Naglieri has focused on theoretical and psychometric issues concerning intelligence, cognitive interventions, executive function and resilience. He has authored more than 300 scholarly papers, book chapters, books, and tests.

Kathleen Kryza has a Masters Degree in Special Education and a Bachelors Degree in Elementary Education. She is passionate, informed and committed to bringing the best educational practices to schools and teachers, so that they can help ALL students succeed. She has taught general education, special education, and gifted and talented students. Kathleen has also worked with students of varying socio-economic and multi-cultural backgrounds.
